

Curriculum Vitae

Jaime Aviles

Mr. Aviles is a forensic technician with over 20 years' experience operating heavy vehicles and is currently licensed as a commercial truck driver. He has assisted with evidence preservation on numerous investigations and extends his knowledge to unmanned aerial systems and drone technology as an FAA certified drone pilot. He applies his proficiency with fabrication and construction to diverse research and testing projects, both for professional and academic purposes. Mr. Aviles also specializes in locating representative exemplars and physical replicas for use in reconstruction and as demonstratives in trial.
